Patient Participation Group

Barton House Group Practice

Benefits of becoming a member of

Patient Participation Group:

- Contribute to the continuous improvement of services
- Encourage health education activities within the Practice.
- Patients can make positive suggestions about the Practice and provide practical support and help to implement change
- Help patients take more responsibility for their health
- Foster improved communication between the practice and its patients to discuss topics of mutual interest in their Practice that can make a real difference.

Have a voice for the Patients in the Practice

We are looking for individuals of all ages and backgrounds to join our group to help us plan any changes to enhance our services.
