

LONG COVID

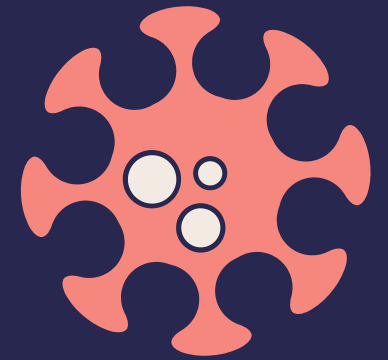

SYMPTOMS, TREATMENT AND SUPPORT

Tuesday, 28th September 1pm-2pm

Long COVID symptoms

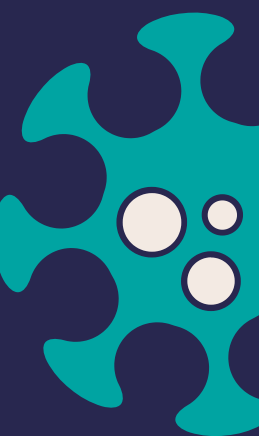

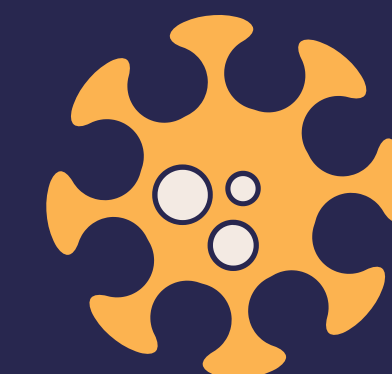

WHILE CORONAVIRUS SYMPTOMS MAY PASS QUICKLY, SOME PEOPLE ARE SUFFERING LONG-TERM EFFECTS

Join us on 28th September to hear from the City and Hackney Post-COVID Assessment and Rehabilitation Team about

- The symptoms of Long Covid
- What support is available
- How to access the support
- The waiting time

The meeting will be friendly and informal.
We will meet on Zoom but you can participate without a computer, mobile or tablet from your landline.
You can send us questions in advance. This will help us find the answers you need.
